

## Rockwell Parts

Rockwell Parts - AxleTech International is a leading provider in the world of specialty vehicle drive-train systems and parts along with off highway vehicles. The business prides itself on being its clients' chosen supplier. AxleTech strives to exceed and meet their customers' expectations for technology, delivery, quality and service. They believe in working in an environment which supports the highest integrity with empowered collaboration, along with a relentless pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The business has put different programs in place in order to articulate these values within their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with any questions or comments, since they are happy to promote and share this policy with a greater knowledge of their efforts. They are very devoted to preserving and improving the natural environment. AxleTech has an EHS program which not only protects the natural environment but which likewise actively protects their neighbors and staff too.

AxleTech specializes in the designing and manufacture of planetary axles for both commercial and military applications, that may include anything from airport ground support to construction equipment. They take great pride in being an innovative drive-train solutions provider as well. AxleTech specially designs axles so as to meet certain application demands. They have more than 1000 various axle specs in their existing offering. With over one hundred years of skill and history, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The business is well known in various military and commercial applications. They offer complete axle assemblies utilized for aftermarket replacement requirements, together with servicing axle needs for OE production. Their high mobility ISAS have extra details that can be seen in the "ISAS" product selection.
