

Concrete Hopper

Concrete Hopper - This accessory is a self-dumping hopper that automatically activates to unload whenever bumper release touches the side of a dumpster. After unloading is completed, the hopper returns to a locked and upright position. This piece of equipment also comes along with a cable which enables operation from the seat of the lift truck in order to have the choice of manually unloading the hopper. There is a locking chain provided to secure the hopper to the tine truck. This particular product is made with reliable and consistent robotic welds for utmost strength. The lift truck dumping hopper likewise has a blue powder coat finish to be able to maintain durability.
